

Gulet Almissa Blu

Beautiful gulet Almissa Blu provides comfortable accommodation and enjoyable cruising. Gulet Almissa Blu accommodates 32 guests in 16 cabins. Cabins are equipped with two bunk beds and a washbasin with tapped water. There are upper and below deck cabins. The below deck ones have little portholes and are air-conditioned from the main hole; the upper deck cabins have a direct exit on the open air. The charming indoor salon on the gulet is very spacious and consists of the boat bar and dining area. The galley is professionally equipped and is separated from the salon. The cabins are cleaned and bed linen is freshly changed upon your arrival. The crew does not enter your cabins during the cruise, so you need to keep your cabin clean by yourself.
