

# Gulet Barba

Gulet Barba consists of 6 luxurious double berth cabins (1 master, 2 double and 3 twins) all with en suite toilet and shower, air-conditioned throughout. It was fully refitted in 2007 making it more roomy and comfortable. The decor is simple in subtle tones complementing the original features. It has two large deck areas that split over two levels. The first level consists of a large dining table and a separate sitting area. The top level features two cushioned sitting areas plus another sunbathing area on an upper level. It would surely suit those who appreciate space on the boat.
